Mercy Minors Regulations

For students:

- I. You must always respect yourself, your peers, adults present, and facilities we use.
- 2. Electronic devices are distracting for you and others around you. **Please** leave them at home or on silent in your pocket or bag.

- 3. Bring your student Bible to meetings in PAC.

- 4. Attendance is very important. You are making a commitment to God, your church, and your parish community. In order to participate in the “fun” activities, you must also be willing to grow in your faith journey by attending meetings, service projects and retreats.

For parents:

- I. Parents willingness to help chaperone these events or help by sending snacks or supplies is crucial to the success of Mercy Minors. The faith formation of your child will be greatly enhanced by your enthusiasm and willingness to devote your time to activities with the Mercy Minors.
- 2. Encourage your child to attend events and stress that this is his or her commitment to God, church, and community.
