Life Teen is a high school youth group that comes together to grow in discipleship, worship and community, all while making lasting friendships along the way! Join us from 7:00-9pm, in the JP II House beginning August in the JP II House to explore with us the beauty and mystery of our Catholic faith. We are going to do this through life nights, masses, bible studies, small groups, Eucharistic adoration, retreats, camps, conferences, & more!
